Both your representations and the Executive's response will be published on the Council's website at least 5 working days before the Cabinet meeting.

	£100,000	<p>2016.</p> <p>The Council's Contact Centre and out of hours call handling service is the first point of contact for the majority of residents and general public. It is an essential service. The current service is run by Hammersmith and Fulham Bridge Partnership (who contracted it directly to Agilisys) and the contract comes to an end on the 31st October, with no option of extending. The recommendation to bring the daytime service back in-house and contract out the 'out of hours' service using the London framework follows the decision not to award the contract following a mini competition. Key to the successful implementation of this is ensuring the right people, telephony and IT systems are in place in time and connected to the appropriate back office systems. This will involve a significant amount of work from an HR and ICT perspective. Given that the Council is concurrently changing ICT provider and developing a new ICT shared service with neighbouring councils means there is additional complexity and time required to get the appropriate technology in place. Time is considered a critical factor as the deadline is immovable and thus a significant risk. The earlier the council can start this work will help mitigate this risk and provide time to sufficiently address the complexities.</p>	<p>Contact officer: Hitesh Jolapara, Darren Atkinson Tel: 020 8753 2501, Tel: 020 8753 2758 hitesh.jolapara@lbhf.gov.uk, Darren.Atkinson@lbhf.gov.uk</p>	<p>will include details of any supporting documentation and / or background papers to be considered.</p>
