ST THOMAS'S WAY	Fulham Broadway	Steel			
SWINDON STREET	Shephard's Bush Green	Steel			
TERRICK STREET	College Park & Old Oak	Steel			
TITMUSS STREET	Shephard's Bush Green	Steel			

Based on column age we expect that the street lights on the roads below will need to be replaced within the next 5 years. The replacement programme for each year will be finalised once we have recieved the results of structural testing that is undertaken. The structural testing will tell us what the remaining life of the street lights is and therefore how soon they need to be replaced.
