1. EXECUTIVE SUMMARY

- 1.1. The attached report from Imperial College Healthcare NHS Trust ('the Trust') sets out the case for change and the proposals developed by Trust clinicians for improving the current acute medicine and chest pain patient pathways. The Trust wishes to engage as widely as possible on the proposals during a planned engagement period.

2. RECOMMENDATIONS

- 2.1. The Committee is asked to comment on the proposals set out in the attached report.

3. REASONS FOR DECISION

- 3.1. Imperial College Healthcare NHS Trust Board at its July public meeting will receive a report on the feedback from the engagement process before making a final decision on implementation of the new pathways.
