## **SPECIAL MOTION NO. 3 – THE EUROPEAN REFERENDUM OUTCOME**

---

Standing in the names of:

- (i) Councillor Andrew Jones
- (ii) Councillor Max Schmid

This Council notes that 70% of residents in Hammersmith and Fulham who voted in the 23 June referendum voted to remain in the European Union.

The council resolves to observe the wish of the significant majority of its residents to remain in the European Union and advocate for the UK to retain the closest possible relationship with the other 27 EU Member States.

The council unreservedly condemns any suggestion that UK residents who are citizens of the 27 other Member States of the European Union should lose the right to live and work in the UK, and it resolves to write to the Home Secretary asking for legislation that guarantees this right.
