## **SPECIAL MOTION NO.3 – OUR NHS FACES A HUMANITARIAN CRISIS**

---

Standing in the names of:

- (i) Councillor Adam Connell
- (ii) Councillor Colin Aherne

The British Red Cross has said that “The NHS is facing a humanitarian crisis as hospitals and ambulance services struggle to keep up with rising demand”.

Doctors leaders have said that more patients could die because of the chaos engulfing the NHS.

This crisis is detrimentally affecting the health and wellbeing of many residents of Hammersmith & Fulham.

This Council recognises that there are serious flaws in the government’s approach to our NHS and that those are putting lives at risk including those of people living in Hammersmith & Fulham.
